Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are several things that will be taught to our children that will be with them into adulthood. I believe the most important thing they should take with them on their journey is What Thus Says The Lord ! Demetric Davis Demetric was raised in a single parent home, is a single parent, and has a lot of interactions with single parent families. She has noticed that the choices and actions made by the children in these homes are proof that children need a father, but what s more evident is that they need a heavenly father. It is her goal to reach children at an early age and plant in them, and water, water, water, until God gives the increase. The Joy of Sharing, by Demetric Davis, is a delightful, beautifully illustrated Christian children s book. The story keeps the reader engaged and captures the patience and love of a single mother who prepares her daughter for her birthday party. The mother encourages London to share with her friends. In the end, London learns that sharing is the right thing to do! Rozina Lee Educator.
