Elementary Banking (Classic Reprint) (Paperback)

By Oliver Howard Wolfe

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elementary Banking This book is not the result of any preconceived theories on methods of education in banking. Neither does it make any pretense of being complete as to the subjects covered nor exhaustive in its treatment of them. It is based on fifteen years of practical experience, beginning with a small country bank and extending through eleven years with a large city bank. To this first-hand knowledge of the educational needs of the beginner in banking has been added four years spent in the teaching of banking subjects to young men in the various chapters of the American Institute of Banking. The subject matter presented herewith consists in the main of a series of lectures delivered to a class of younger men in New York Chapter. This book is intended for the young man just entering the bank from school and too new in the business to be able to undertake the regular Institute study course. No other text book so far as the writer knows is designed to meet this particular need. The...
