

The Buccaneers Realm - Pirate Life on the Spanish Main 1674 - 1688

Filesize: 4.69 MB

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Morris Cruickshank)

THE BUCCANEERS REALM - PIRATE LIFE ON THE SPANISH MAIN 1674 - 1688

Potomac Books, Washington D.C. USA, 2007. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. 342 pages index biblio notes maps - In 1674, it is three years since Henry Morgan's pirates sacked Panama. England is now at peace with Spain, and soon France, Holland, and Spain will briefly be at peace among themselves. But soon buccaneers and their French counterparts, the filibusters, will seize the opportunity of material gain presented by the far-flung and failing Spanish Empire. And Spain will produce its own notorious pirates, whose depredations against the English and French will become legend. These men of opportunistic calculation and desperate courage live in a wilder, larger, and richer time and place than any other frontier in modern history - the Spanish Main. Unflinchingly, unhesitatingly, unabashedly, they will take to the peaceful seas for riches by force of arms. The world will witness piracy on a grand scale. While Benerson Little's previous work showed brilliantly how pirates actually plied their trade, *The Buccaneers Realm* focuses on their cultural and physical environments. It describes not merely their deeds but their world - the New World of the Spanish Main and its many peoples, freedoms, dangers, and exploits that are the foundation of the Americas. A detailed and lively description of pirate life, it will especially appeal to readers with an interest in maritime, naval, military, and colonial history, as well as sociologists, anthropologists, and armchair adventurers.
